Empowerment at REA

REA
COLLEGE
MAAKT ER
WERK VAN

- Empowerment is in our mission statement and in our core values (students are supported to follow their own path)
- We work along the Vrijbaan Method (involved in the development)
- Staff is trained to support and coach students in an empowering manner
- Empowerment training for all students
- Train the trainer sessions for stakeholders

REACOLLEGE

Lifeskills at R

- In our courses and training programmes we focus a lot on Empowerment. Problem solving, critical thinking, effective communication skills, decision making, and creative thinking are all part of an empowering attitude.
- A lot of the life skills are a part of our programs, but we are not aware of it.

Who are we?
